This Company has prior claims upon the patronage of New Zealand Colonists, as it was the first Insurance Company established in New Zealand; and being a Local Institution the whole of its funds are retained and invested in the Colony. The public, therefore, derive a positive benefit by supporting this Company in preference to Foreign Institutions.

WOOL, GRAIN, & PRODUCE BROKERS.

We beg to advise our numerous friends and clients that we are now making Liberal Cash Advances to farmers and others on the ensuing clip consigned to us for sale locally or in the London market, and that we charge no Commission for these advances.

The charges usually made to the grower will also be materially reduced, while the usual charge to the purchaser will be completely done away with, thus ensuring a large attendance of Home and local buyers, while the sale will be conducted by a most efficient Auctioneer. The Clipping shall have attention at the hands of an experienced person from Home. With these advantages, we trust to secure a very large catalogue for the end of November or beginning of December, and those favouring us with their Wool can rely on it having the most careful attention, and farmers' instructions attended to. To those who send us their Wool we will give Wool-packs at 2s 4d each. Wool may be simply addressed—"Samuel Orr & Co., Dunedin."

We are now booking orders for Deering's Celebrated All-steel Reaper and Binder, and as only a limited number are coming forward, early application is necessary.
