

KAITANGATA RAILWAY AND COAL COMPANY (LIMITED).**KAITANGATA COAL.**

The special qualities of the KAITANGATA COAL are its general cleanliness and entire absence of dirty smoke, requiring no attention whatever once the fire is made; and householders who use it exclusively will, no doubt, recognise the great saving of constant cleaning and sweeping.

To mix it with other Coals scarcely gives it justice, and the Company recommend consumers to use it alone, when its full advantages can be realised.

Sold and delivered by all Coal Merchants in Dunedin and suburbs.
