W E have never been in Germany, consequently have no particular taste for Frankfort Sausages, Merwurst, or German black puddings, and do not care to advertise these special articles. What we, however, desire to draw attention to is our unrivalled stock of

PRIME BEEF AND MUTTON,

the food of every true-born Briton. We also want to see the British workman, his wife and family, well fed, in these hard times especially, with no doctors' bills to pay, with the glow of health upon their cheeks, and everybody to know that the way this to be attained is to pay the cash and buy good sound wholesome Roasting Beef at 3d., delicious Boiling Beef at 2d., and Prime Forequarters of Mutton at 1½d. per lb., from
