The success that has attended my Consultation of £3000 on the
 Dunedin Cup, and the marked confidence shown by my patrons, has
 induced me to inaugurate one for the same amount on a similar
 basis on the above four events, and I avail myself of this opportunity
 to tender my acknowledgements.
 It will be seen that there are 109 Nominations for the four
 events, which will give 12 awards for placed horses, and 97 for
 Starters and Non-starters.

Drawing to be conducted as follows:—Each event to be drawn
 for separately, thus making four drawings, the holder of one or more
 tickets having an interest in each, thus giving him an opportunity of
 obtaining four horses with each ticket. Prospectus forwarded on ap-
