IMPORTANT FOR EVERYBODY!

The Rodanow Manufacturing Company (Limited)—Capital 2,000,000dol., Boston (America),—will forward, hereafter, even one single watch to any part of the world at wholesale price, i.e., 35 per cent. cheaper than any watchmaker, as none of them is manufacturing watches himself, but only buying them from here. We call the particular attention of every one intending to purchase a first-class reliable watch to our following price-list:—

KEYLESS WATCHES

(Stem-Winders).

The Keyless mechanism to a watch is one of the great modern improvements in watch work, it does away with the old-fashioned key, with which so many persons have ruined their watches. The watch is wound by turning a nurlid knob, placed on the handle or bow, instead of by the ordinary means; the hands are set in the same way. The advantages of these improvements are obvious, the case, which never need be opened in winding, is made air-tight and dust-tight, thus preserving much longer the fluidity of the oil, and greatly prolonging the intervals between the necessary cleaning of the watch.

OBSERVATIONS.

1 All the above watches can be had in smaller size to suit for ladies wear at the same price. Monograms, initials, arms, &c., engraved on the back of the watch free of charge.

2 All our Watches are thoroughly finished and ready for immediate use, and will be sent securely packed in morocco case, *post free*, to any part of the world, together with spare mainsprings, glasses and keys, these being a great convenience, as in many out-of-the-way places, it is almost a matter of impossibility to replace one of these articles.

3 Every Watch is accompanied with a written warranty, guaranteeing the regularity and superiority of its workmanship for three years, during which time no charge will be made for repairing if the Watch is returned post free.

4 All our Gold Cases are 18-carat gold; the Silver Cases are of the best sterling silver.

5 Six per cent. discount will be allowed on orders for six and more watches.

6 All our Watches have compensation balance, which renders them equally accurate in either hot or cold climate.

7 All Watches may be ordered with or without seconds hand, with engraved, plain polished, or engine turned cases, without difference of price.

8 No Orders from abroad filled unless accompanied by a remittance to cover the amount, or a reference on a Boston house.

Persons residing in any part of the world need not hesitate to forward their orders to this establishment, as they may rely upon receiving the exact watch ordered by them, which if not approved, will be exchanged free and safe by post, or money refunded. The best means of sending money is by draft on New York, Paris, or London, which can be procured at any banker and everywhere—or enclose the amount in bank-notes, gold coins or postage stamps of any country of the world. All orders, the smallest as well as the most important, will receive the same particular attention and will be forwarded without delay. We respectfully ask for a trial order
