The success that has attended my Consultation of £3000 on the  
 Dunedin Cup, and the marked confidence shown by my patrons, has  
 induced me to inaugurate one for the same amount on a similar  
 basis on the above four events, and I avail myself of this opportunity  
 to tender my acknowledgments.

It will be seen that there are 109 Nominations for the four  
 events, which will give 12 awards for placed horses, and 97 for  
 Starters and Non-starters.

Drawing to be conducted as follows:—Each event to be drawn  
 for separately, thus making four drawings, the holder of one or more  
 tickets having an interest in each, thus giving him an opportunity of  
 obtaining four horses with each ticket. Prospectuses forwarded on ap-  
 plication. Please send P.O. order or cheque with exchange (1s)  
 added, and two stamps for reply and result.

The promoters of the PRESS CONSULTATION have decided to in-  
 augurate a series of £1000 Drawings, the first of which takes place  
 on the above event. It is confidently anticipated that No. 1 of this  
 Series will close about the 26th March. A satisfactory feature in  
 this arrangement will be that successful subscribers will be in receipt  
 of their good fortune so far in advance of the event as to enable them  
 to again try their luck, should they desire to do so. Immediately  
 No. 1 is filled, the Drawing will take place in a Public Hall (as  
 usual), the result telegraphed to winners and posted to others, and  
 No. 2 opened.

Companies sending for a Book of 25 tickets will be allowed the  
 usual agents' discount—viz., One Pound.

Please send P.O. Order where obtainable, or Cheque with 1s.  
 exchange added, and two stamps for reply and result.
