

THE NEW UNRIVALLED WERTHEIM SEWING MACHINE is the Wonder of the Age. Its automatic bobbin-winder is a marvel of perfection, filling the bobbins as regular as the reel, and putting on one-third more cotton than the old-fashioned winders, thereby saving time and producing better work. The treadle machines have patent castors, solid walnut tops, yard measure affixed to each machine, double-acting presser-foot, which releases the thread from the tension when removing the work, thereby avoiding the irritating accidents which occur on all other machines, such as thread-breaking. Appliances free.

N E I L M C F A D D E N
(For many years Salesman at Loft's)

Has great pleasure in thanking the citizens of Dunedin and its surroundings, and also numerous visitors from all parts of the country, for having assisted him in establishing a really successful

BOOT AND SHOE DEPOT IN DUNEDIN.

The Arcade has now become celebrated as a rendezvous for the purchase of every description of Boots and Shoes, and it is admitted on all sides that the Dark Stout Man has largely contributed in making it so. Yes, competition is really the soul of trade, and thanks to this fact I am now in a position to submit to my patrons a Stock to select from, which always has the effect of securing for me a continuance of their support. This is as it should be. Being a tradesman, my stock is selected and made up under my own supervision, and this explains the fact that my Goods are always found to be of Excellent Quality, and at all times Sound.

Wanted visitors, one and all, at Neil McFadden's shop to call. At No. 13 Royal Arcade, you'll see his Boots and Shoes displayed. McFadden sells No Salvage Trash, but gives honest worth for ready Cash.

Then go to him, and your purchase make; but mind you don't th shop mistake.

The Dark Stout Man, you'll find him there, doing the thing that just and fair.

Remember! 13 Royal Arcade, where the best of Boots and Shoes are made.

Don't forget the Sign of the Dark Stout Man,
13 ROYAL ARCADE.
