SINGER SEWING MACHINES.

THE GREATEST WONDER OF MODERN TIMES!

**HOLLOWAY'S PILLS**

Long experience has proved these famous remedies to be most effectual in curing either the dangerous maladies or the slighter complaints, which are more particularly incidental to the life of a miner, or to those living in the bush.

Occasional doses of these Pills will guard the system against those evils which so often beset the human race, viz.—coughs, colds, and all disorders of the liver and stomach—the frequent forerunners of fever, dysentery, diarrhoea, and cholera.

**HOLLOWAY'S OINTMENT**

Is the most effectual remedy for old sores, wounds, ulcers, rheumatism, and all skin diseases; in fact, when used according to the printed directions, it never fails to cure alike, deep and superficial ailments.

The Pills and Ointment are Manufactured only at 78, New Oxford St. (late 533, Oxford St.) London; And are sold by all Vendors of Medicines throughout the Civilized World; with directions for use in almost every language.

Purchasers should look to the Label on the Pots and Boxes. If the address is not 533, Oxford Street, London, they are spurious.

Each member for every share names a horse, which will be written across the duplicates kept by the Company. Those numbers having the Winner written on them will be put together; the first three drawn will receive the prizes as above. The same will be repeated with those having the Second written on them; and again also those with the Third—forming 3 distinct drawings, which will of course be drawn after the winners are declared.

In the event, in either of the 3 cases, of only Two Members naming the placed horses, the three prizes will be divided between them; if only One, in either of the 3 cases, he will receive all 3 prizes due to whichever he named—1st, 2nd, or 3rd.

A subscriber, say holding 3 shares, can name the one horse three times, or three different horses—one to each share.

N.B.—TWO GUINEAS (independent of the sweep) will be given to the member first naming the winner.

This Company has prior claims upon the patronage of New Zealand Colonists, as it was the first Insurance Company established in New Zealand; and being a Local Institution the whole of its funds are retained and invested in the Colony. The public, therefore, derive a positive benefit by supporting this Company in preference to Foreign Institutions.
