4, Stafford Street,

Dunedin, 31st March, 1894.

Mr G. Bonnington, Christchurch.

Dear Sir,—In the course of my travels through Otago and Invercargill, I often come across persons who speak in the highest terms of the beneficial effects from the use of your preparation, Pectoral Oxymel of Carrageen, or Irish Moss. It is very largely used in the country towns as well as in the larger cities. Having taken a good deal of interest in the article, I am in a position to say that there are very few families in Otago and Invercargill who are not in the habit of taking the Irish Moss during the Winter and Spring months. You know, of course, that it is distributed by nearly all the merchants. I always have it in my house, having experienced that it effects all you claim for it.—Sincerely yours,

W. BROWN,

Commercial Traveller.
