DRILLS—Our "EUREKA." To Farmers requiring drills for the present season, see our
drills before purchasing. They are now perfect.

TESTIMONIAL. Tapanui, January 11, 1895.
Dear Sir—Your FURNIP and MANURE DRILL which I got this season has quite
pleased me. I have sown all manures and guanos known to my district, with Fison's Local
Superphosphate, Chesterfield and Malden Guanos. It will sow to a nicety with phosphates
and blood manure from 60lb up to 400lb; and in guanos, from 60lb to 600lb, and no trouble
—wet or dry: all the same, the manure must go, and it goes properly in a regular stream as
it should, though I did not riddle my manures—five classes (5). I consider your drill as
supplied to me meets a long-felt want and it only requires to be known to those who wish a
sure and cert in crop of turnips.
JOHN MACKIE.
