

OUR NEW

**"STERLING"  
STEEL  
SPADING  
HARROW**

**WE LEAD; OTHERS FOLLOW**

AS BEST THEY CAN.  
Our New "STERLING" STEEL SPADING HARROW has REVERSIBLE GANGS to throw soil in or out. Change made in no time. OVERLAPPING CUT when on out throw; cuts the centre right out; no land missed; no furrow; no centre disc. PERFECT LEVELLING DEVICE on both cuts, with independent adjustment for each gang for hillside work. FLEXIBLE GANG CONNECTIONS for uneven ground. INDESTRUCTIBLE STEEL FRAME; quick-acting angle adjustment; handiest travelling gear; most durable chilled bearings.

It is strictly—  
UP-TO-DATE, THE SIMPLEST,  
THE MOST EFFECTIVE, THE BEST.

"STERLING" STEEL DISC HARROWS IN SAME STYLE.
