THE LIBERTY LEAGUE

"Every man may claim the fullest liberty
to do all that he wills, provided that he in-
fringes not the equal freedom of any other
man."—HERBERT SPENCER.

CONSTITUTION AND OBJECTS OF THE
LEAGUE.

1. The Liberty League is composed of men
and women who are prepared to use
every constitutional means to uphold
and protect the liberty of the subject.
2. The League is entirely free from political
party bias.
3. The League will not give its support to
any candidate for parliamentary honours
who is an extremist or faddist upon
any subject affecting injuriously the in-
dividual rights of the people.
4. The League considers that some of the
most serious menaces to personal liberty
are the attempts now being made to
force Prohibition and other restrictive
legislation upon the public of New Zeal-
and; and that were such attempts
successful, it would only be the fore-
runner of continuous tyrannical en-
croachments upon individual freedom.
5. The League will advocate and support
every reform having for its object the
extension of personal liberty.

All persons in sympathy with the above
object are cordially invited to enrol their
names at the Office of the League, Manse and
High streets corner.
