FIAT JUSTITIA.

FRIDAY, NOVEMBER 20, 1896.

PROGRESS AND JUSTICE IN THE NINETEENTH
CENTURY.

THE Catholics of New Zealand provide, at their own sole
expense, an excellent education for their own children. Yet
such is the sense of justice and policy in the New Zealand
Legislature that it compels these Catholics, after having
manfully provided for their own children, to contribute
largely towards the free and godless education of other
people's children!!! This is tyranny, oppression and
plunder.

AD MULTOS ANNOS.

THAT the fifth bishop of a diocese should be
felicitated on his appointment by the second
occupant of the See is an unique event in the
history of episcopal consecrations. The Most
Rev. Dr. CROKE succeeded Dr. POMPALLIER,
first Bishop of Auckland. Dr. LUCK, O.S.B.,
and Dr. STEINS, S.J., were the predecessors of
the present ruler. The illustrious Archbishop of Cashel
now congratulates the Most Rev. Dr. LENIHAN and wishes
success and happiness to his successor and contemporary.
From all parts of New Zealand and Australia, and, indeed,
many quarters of the world, messages of congratulation have
been sent to Auckland. We feel quite certain that not one
gave the new Bishop more real pleasure and encouragement
than the warm-hearted letter of his Grace of Cashel. We
respectfully join the throng of well-wishers and "once again
and many times," most heartily say "ad multos annos." The
prayer on last Sunday of the orphan children, for years the
special object of Bishop LENIHAN'S loving care, that
Almighty GOD might give length of days to the new ruler
and their fond father, was surely heard. Length of
days will mean constant love of his people, wisdom
of administration and devotion to the best interests of
holy religion in New Zealand. The Most Rev. Dr.
LENIHAN begins his reign under very favourable auspices.
Union of priest and people is the great lever which moves
the Church of GOD along the road of modern progress.
