

RABBITSKINS, SEASON 1897.

SALES EVERY MONDAY.

The Rabbitskin Season being now on, we take the opportunity to inform our Clients and others, that we hold Auction Sales of Rabbitskins at our Stores regularly, every Monday at 2 o'clock.

These Sales are attended by all the Buyers in the Trade here, and the prices now being realised are in advance of what could be obtained by shipping to England; while the returns are immediate, and the risks of a fall in value, or of damage to skins while on passage, are avoided.

ADVANTAGES OF CONSIGNING TO AGENTS.

We need scarcely point out to vendors the many advantages of entrusting their consignments to responsible agents, who have facilities for classing the Skins, and for showing them to the best advantage, and whose whole aim is to conserve owners' interests, and secure the highest price for their consignments.

OF SELLING AT PUBLIC AUCTION.

By offering the Skins at Public Auction at fixed dates duly advertised, and when all the Buyers are in attendance, the widest range of competition is secured; and it must be quite apparent, that under no other condition, can vendors expect to secure the same full value for their consignments, as can be obtained by thus selling at Public Auction.

SKINS VALUED AND CLASSED.

Every consignment received by us is carefully valued, and where necessary, classed before being sold, and every effort is made to secure the highest market value for consignments.

Charges are on the lowest scale, and Account Sales are rendered immediately after sale.

ADDRESS.

Rabbitskins for Sale in Dunedin, should be addressed to DONALD REID & CO., Dunedin, when they will reach us in due course.

The papers are full of deaths from

Heart Failure

Of course

the heart fails to act when a man dies, but "Heart Failure," so called, nine times out of ten is caused by Uric Acid in the blood which the Kidneys fail to remove, and which corrodes the heart until it becomes unable to perform its functions.

Health Officers in many cities very properly refuse to accept "Heart Failure," as a cause of death. It is frequently a sign of ignorance in the physician, or may be given to cover up the real cause.
