

GRAIN SEASON, 1898.

OTAGO CORN AND WOOL EXCHANGE, VOGEL STREET, DUNEDIN.

TO THE FARMERS OF OTAGO AND SOUTHLAND.

Another Grain Season being at hand, we take the opportunity of thanking our many clients for their patronage in the past, and to again tender our services for the disposal of their Grain here, or for shipment of same to other markets, making liberal cash advances thereon, if required.

SPECIAL FACILITIES FOR STORAGE, ETC.—We would remind producers that we provide special facilities for the satisfactory storage and disposal of all kinds of farm produce. Our stores are dry, airy, thoroughly ventilated, and in every respect admirably adapted for the safe storage of grain, being conveniently situated, and connected to railway by private siding. Produce consigned to us is delivered direct into store, and is saved the loss and waste incurred in unloading and again carting into warehouse.

WEEKLY AUCTION SALES.—We continue to hold the regular Weekly Auction Sales of Produce as inaugurated by us many years ago, and which have proved so beneficial to vendors; and owing to our commanding position in the centre of the trade, and our large and extending connection, we are in constant touch with all the principal grain merchants, millers, and produce dealers, and are thus enabled to dispose of consignments to the very best advantage, and with the least possible delay.

PRODUCE SALES EVERY MONDAY.—Our sales are held every Monday morning, at which samples of all the produce forward are exhibited. Our sale room being brilliantly lighted, samples are shown to the very best advantage, and as every lot is carefully valued before being offered, clients can depend that no lot will be sold below its full market value, and that their interests generally will be thoroughly protected.

ACCOUNT SALES are rendered within Six Days of Sale.

CORN SACKS, CHAFF BAGS, ETC.—Having made advantageous arrangements to meet the requirements of our numerous clients, we can supply best Calcutta Corn Sacks, all sizes, and at the lowest prices. Also Chaff Bags, Seaming Twine, and all Farmers' Requisites at the shortest notice, and on the best terms.

ADVANTAGES.—We offer producers the advantage of Large Storage and Unequalled Show Room Accommodation. No Delays in Offering. Expert Valuers and Staff. The Best Service. The Lowest Scale of Charges. The Highest Prices, and Prompt Returns.

SAMPLE BAGS, WAY BILLS, AND LABELS SENT ON APPLICATION.

"GIVE IT A TURN."

(REGISTERED TRADE MARK)

OWING to a great scarcity and consequent increased cost of the American herbs, barks and roots, from which that well-known and popular Liver and Digestive specific, Walker's Vegetable Syrup, is prepared, the manufacturer, Mr. J. J. F. Walker, has been reluctantly compelled to announce an increase in price, from 1s 6d to 2s 6d per bottle, which increase will barely cover the extra cost of production.

He has resolved to increase the price, believing that in a matter of such vital importance a medicine which possesses the virtues of stimulating the Liver, regulating the Stomach, purifying the Blood and assisting Digestion, the public—at least that portion of it which has personally experienced its curative efficacy—would prefer to pay the increased price, and thereby ensure the maintenance of its good qualities, rather than that the present high standard should be lowered to allow of its being sold at less.

We would advise all those who are sufferers from Liver or Digestive derangement to secure a supply of this wonderful remedy from their nearest Chemist or Storekeeper, or from the Medicine Chest, corner High and Tuam Streets, Christchurch.
