

NO MORE SORE SHOULDERS.

The

PATENT
ELASTIC
STEEL
HORSE
COLLARS.

THESE COLLARS CURE AND PREVENT SORE SHOULDERS. They are light, cheap, and durable combining as they do Collar and Hames in one. Each collar can easily be adjusted to three different sizes, both in length and width, the Spanner or Key sent out with each Collar being the only tool required. By pressing a spring catch at the throat the Collar is readily opened, and then easily put on or taken off the horse, avoiding the necessity of forcing the Collar over the animal's head, and greatly facilitating the disengagement of the Collar when a horse falls.

The Collars are made specially strong with low tops for pit work.

A TRIAL ORDER RESPECTFULLY SOLICITED.

These Collars were awarded Prize Medals at Paris, 1889; Staffordshire Agricultural Society's Show, 1890; Birkenhead Agricultural Society, 1890; Altrincham Agricultural Society, 1890; and Prague Exhibition, 1891. They also received a Diploma of Merit at the Royal Military Exhibition, Chelsea, 1890.

REQUIRE NO DRYING.

REPAIRS ALMOST NIL.
