

# Would you like to know why

The Massey-Harris Wide Open Binder has so distanced all its rivals in the Colonies?

# Would you also like to know why

For the Harvest Season of 1897-8 in Australasia the total output of Massey-Harris Wide Open Binders exceeded that of all other makers put together, and why this gratifying position has been attained by Massey-Harris Co. Ltd. within the first ten years of its business here?

MASSEY-HARRIS WIDE OPEN REAPER AND BINDER, EQUIPPED WITH THE NEW PERFECTED ROLLER AND BALL BEARINGS.

# It is because

The Massey-Harris Machines and Implements are made of the very best materials, are always up to date in their construction, Duplicate parts are supplied at uniform and reasonable prices; and because **every Machine and Implement is guaranteed to give satisfaction or no sale.**
