THE NEW ZEALAND

PAMILY HERB DOCTOR.

A Book of Domestic Medicine.

Contains 535 pages, crown 8 vo., and one hundred beautiful lithographed pictures, in six colours, of the most useful medicinal plants found growing in New Zealand, Australia, and othe parts of the world (a special National National Scientific Augustical Scientific Contains and Scientific Conta iralia, and othe parts of the world (a special feature being our Native ones), giving their history, properties, and uses, and how and where to gather, cultivate, prepare, and preserve herbal medicines, in SIMPLE ENGLISH WORDS, togather with Compounds, Poultices, Tinctures, Syrups, Pills, Ointments, Decoctions, Patent Medicines, Hair Restorers, and carefully-selected remedies for all complaints. The book will be handsomely bound in imitation morocce, sprinkled edges, and gilt lettering.

lettering.

Price J. NEIL, M.D., U.S.A., Author, Graduate of Bennet's Ecletic College of Medicine and Surgery, Chicago, and the Polyclinic College of New York.

The Plants mentioned below are amongst the whole "Materia Medica," as the catalogue of medicine is named.

1st. The Butterfly plant, or Pleurisy, can-not be surpassed as a remedy in inflamation

the chest, and pleurisy, colds, etc.
2nd. The Contaury is a splendid Bitter
Tonic, an ounce, costing 31, will make a pint, Tonic, an ounce, costing 31, will make a pint, of which a wine-glassful is taken three times a day. This will restore the appetite and correct the stomach. It is found growing in different parts of the Colony, Auckland and
