

A WRITER says that language comes more easily to some than others. That's right. A barefooted man who stumbles over a rocking chair in the dark will find language coming to him a great deal more easily than it will to his wife who is in bed in the next room. To those who are fond of walking we would tender this advice:—Economise to some purpose by purchasing your Boots and Shoes at the leading house, the City Boot Palace. Their immense stock is offered at lowest cash prices, in order to ensure a large and rapid turnover; all qualities being sound, solid, and reliable.
