THIS is the great question which has brought Kings and Rulers of Nations into the field of investigation. All are anxious to solve the problem. Confusion and strife have hitherto prevailed. Now a master mind raises up his voice and addresses the world. His Holiness Pope Leo XIII. speaks to the Nations, and the universal Press have declared his Address the greatest pronouncement of the age.

WE ARE PUBLISHING this great document in PAMPHLET FORM, and are prepared to supply orders to the Clergy, Booksellers, and others, at cheap rates if sent in at once.
