

Mother Mary Joseph Aubert's

REMEDIES.

RESUSCITATION!

EVERYONE who has been attacked with the prevailing epidemic of Influenza knows that it is very lowering to the system, and that a general feeling of weakness permeates all through the body.

Now, it is highly necessary that some Tonic medicine should be taken to bring the system up to its proper standard, because if not immediately attended to more serious complaints may develop, and cause a large amount of unnecessary misery.

His Excellency Lord Onslow has communicated the fact to Mother Mary Joseph Aubert that the Remedy "Karana" as prepared by herself, is, in his opinion, and from his own experience in taking same, a perfect tonic and very fortifying, and the public may rest assured that the Governor of this Colony would not give such testimony unless he was well aware that it was correct.

Those persons who are troubled with a cough as an after effect from Influenza are particularly requested to give "Marupa" a fair trial, and it will be found that benefit will result.

It may be as well to mention here that these Remedies are not cheap and nasty preparations, but are made up in such concentrated form that they may at first sight appear expensive, but this is not so, as, from the very flattering testimonials which have been received, the proprietor is confident that value is being given, and that only good results follow with those persons who have given the Remedies a trial.

No medicines previously introduced into New Zealand have reached a total sale of eighteen thousand bottles in four months, and yet this has been done by Mother Mary Joseph Aubert.

Kindly remember that "Karana" is invigorating to the system, and that "Marupa" will successfully combat with any cold, cough, or bronchial affection.

HIS EXCELLENCY LORD ONSLOW speaks up for Mother Mary Joseph Aubert in a letter to Dr De La Bachoué:

[COPIE.]

Wellington, 18th Septembre, 1891.

MON CHER DOCTEUR,—

Je vous dois de la reconnaissance pour les consultations que vous m'avez données m'engageant à essayer les remèdes extraits des plantes de la N.Z. préparés par la R. Mère Marie Joseph Aubert.

J'en ai fait usage pendant quelque temps, et je puis vous affirmer que je m'en suis parfaitement trouvé. Ils sont toniques et fortifiants.

Veillez transmettre mes félicitations à la R. Mère au sujet de ses travaux. Ils sont d'une grande valeur pour le soulagement des misères humaines, me paraissant susceptibles d'ajouter aux industries de la colonie, et devoir être en même temps profitables aux bonnes œuvres dont elle poursuit la réalisation.

Agréé, mon cher Docteur, l'assurance de mes sentiments distingués.

ONSLOW.

Dr De L. Bachoué, French Consulate, Wellington.

[TRANSLATION.]

Wellington, 18th September, 1891.

MY DEAR DOCTOR,—

I feel grateful to you for your advice to try the remedies extracted from New Zealand plants, and prepared by the Rev. Mother Mary Joseph Aubert. I have used them for some time, and I am in a position to inform you that I have found them perfectly satisfactory. They are really tonic and fortifying.

Be good enough to convey to the Rev. Mother my congratulations on her labours; they are of great value for the relief of human miseries, and appear to me capable of furthering colonial industry, and should at the same time be profitable to those good works which she seeks to realise.

Accept, my dear doctor, the assurance of my appreciative feelings.

(Signed)

ONSLOW

Dr De La Bachoué, French Consulate, Wellington.
