For the first time these invaluable remedies are offered to the public,—the recipe for their preparation being retained in one family for many generations. Having used them with extraordinary success and being repeatedly urged by persons who have offered to bear testimony to their efficacy to bring them before the public, not merely as a commercial speculation, but as a boon to the whole community, in now doing so the Proprietor is confident one trial will prove "They are what they profess to be."

To be had from Kempthorne, Prosser, Agents, Dunedin.
