

AN OUNCE OF FACT IS WORTH A TON OF FICTION.

Mr McKay

Dear Sir,—On May 2nd of last year I chose this pair of "Zealandia" boots from the general stock in the City Boot Palace.

I wore them frequently about Dunedin during the following six months, and then almost daily from November 2 till January 27 (68 days) for 1,060 miles, walking over the interior of Otago, crossing a score of mountain ranges.

On previous similar trips I wore other makes, including real "Cookhams," but all those were in a sorry plight long before the journey's end.

After twelve hundred miles' walking—mostly very rough—the original soles of this pair are still in fair condition, and the sewing of the same quite intact; while, with the exception of a small hole in the crease of each heel, the uppers are good for another thousand miles.

The boots received no special treatment—merely the application of neatsfoot oil and blacking.

Yours faithfully,

ALEX. DON,
Chinese Missionary.
