(POISONOUS)

POSITIVELY THE SOFTEST DIP FOR THE WOOL.

—IS THE BEST OF ALL—

EFFECTUALLY KILLS TICKS, THEIR EGGS, AND LICE.

Those Sheepowners who have used this dip have each year obtained the highest prices for their Wool owing to the fact that it leaves the Wool in a bright, soft, silky condition, perfectly clean and free from stain.

Prepared in accordance with the latest advancements of chemistry as applied to the Woollen Manufacturing Industry, it is a decided improvement on the old-fashioned dips, and only requires a trial to prove its superiority. TESTIMONIALS.

MR C. M. BROOKE, Pendarves, 1st February, 1892.

Dear Sir,—Notwithstanding the lower price ruling for wool this season, I am pleased to inform you that I have obtained a better price for my wool this year after using your 'Perfect' Sheep Dip than I have done on any previous occasion with other dips on the same class of sheep.—Yours truly, W. H. RULE.

Millburn, Feb. 3, 1891.

TO MESSRS DONALD REID AND CO., Dun din.

Dear Sirs,—We used Brooke's 'Perfect' Sheep Dip last season and it gave us great satisfaction. We have tried nearly all the dips in the market and consider Brooke's 'Perfect' Dip the best. There were no deaths through its use and at shearing the sheep were in capital condition, the wool bright, soft and glossy, free from ticks, stains, and other impurities. So long as this dip gives the same satisfaction we will not use any other. We can strongly recommend it to anyone wanting a safe, economical and effective dip. Please send us 5 drums at your earliest convenience.—Yours truly, JAMES and JOHN SUTHERLAND.

A large number of equally satisfactory reports to hand. Owing to the increased yearly sale of Brooke's Perfect Sheep Dip the price has now been reduced to 6s per gallon in 5 gallon drums only. One gallon makes 100 to 120 gallons wash. Packages Free.
