are regularly in receipt of Drugs and Chemicals, Surgical Appliances, Perfumery, Patent Medicines and Sundries. The extent of our business arrangements enables us to offer the most recently manufactured goods of the best quality at low prices.

We desire to mention that our business was established in 1862 by Mr. Benjamin Bagley, sen, and has had a continuous and successful run for 30 years. This is in itself a strong recommendation. The present principal, Mr R. P. Bagley, has been engaged in connection with the firm for about 25 years—first as assistant and partner with his father and now as head of the business.

He is giving his best attention to the requirements of the trade, and is fortunate in having the services of trustworthy and competent assistants who have been with him for years. The managing assistant at the Water of Leith Dispensary, Mr Hols', is a qualified analyst and mineralogist, and is practising these subjects on his own behalf at the dispensary.

### HOLLOWAY'S PILLS

LONG experience has proved these famous remedies to be most effectual in curing either the dangerous malady or the slighter complaints which are more particularly incidental to the life of a man, or to those living in the bush.

Occasional doses of these Pills will guard the system against those evils which so often beset the human race, viz:—coughs, colds, and all disorders of the liver and stomach—the frequent forerunners of fever, dysentery, diarrhoea, and cholera.

### HOLLOWAY'S OINTMENT

Is the most effectual remedy for old sores, wounds, ulcers, rheumatism, and all skin diseases; in fact, when used according to the printed directions, it never fails to cure alike, deep and superficial ailments.

These Medicines may be obtained from all respectable Druggists and Store-keepers throughout the civilised world, with directions for use in almost every language.

They are prepared only by the Proprietor, Thomas Holloway, 533, Oxford Street, London.
