DR. MACKENZIE'S
Tonic Powders

For Anæmia, Poverty of Blood, Weakness, Languor, Nervousness, etc., these Powders are the most successful and the most popular remedy in New Zealand. They are agreeable to the palate, and possess properties, which not only act as a powerful blood tonic, but supply the whole frame with its most important elements. Their undoubted superiority over iron pills is due to the immediate action they have on being swallowed, whereas a pill cannot possibly have effect until it dissolves.

BOXES—2s each, postage free.
