H. LETHABY, in thanking his Customers and the
General Public, for their liberal patronage accorded to him,
during the 19 years he has been carrying on business in the Arcade
wishes to inform them, that he has been successful in securing those
large and Central premises, called the "Queen's Buildings," situate
in Princes street, opposite Braithwaite's Book Arcade. The whole
place has been entirely altered, and fitted up with the latest
machinery for the purpose of manufacturing umbrellas and port-
manteaus, and as we have been successful in getting the duty
removed off all umbrella materials, we are able to make and sell
direct to the public, a better and cheaper umbrella than it is possible
to import.
