We have beaten all the local and imported Manures when brought into Public Competition in every case. Our object as Permanent Manure Makers is to convince the Farmer, Fruit Grower, and Horticulturist, that if our Manures are used there is, unless in cases of extreme drought when the seeds do not germinate, a certainty not only of a good crop, but also a visible and unmistakable improvement in the condition of the land for future operations. Our Manures made at our Works at Auckland have also taken the leading position there.
