## A MUSICAL EDUCATIO FOR HALF-A-CROWN.

The above heading will, of course, appear to most  
people as the height of absurdity; yet the absurdity  
is more apparent than real. It goes without saying  
that a finished musical education in the regular  
course cannot be had for half-a-crown, or even with  
several hundred additional half crowns; but can it be  
truthfully said that the person with a sufficient know-  
ledge of music to play accompaniments on the piano  
or organ, to all the popular songs of the day, has no  
musical education? Assuredly not. A musical edu-  
cation sufficient to enable one to play accompaniments  
to the songs sung in the home frequently gets and  
gives more pleasure from the modest accompaniment  
than does many on whose education large sums have  
been expended.

To the more modest musical education the above  
heading applies. Such an education the 'N.Z. Tablet'  
is now offering its music-loving readers or half-a-  
crown, believing that it is the greatest benefit we can  
give to our subscribers.

This ready-made musical education consists of  
Pratt's Chart of Chords for the piano and organ, which  
is the nearest approach to the ready-made knowledge  
of music yet attained by science.

It is a short cut to harmony, and it is to music what  
the multiplication table is to arithmetic, a quick  
method of learning to play the piano or organ without  
a teacher.

With this Chart anyone can, with but a small  
amount of practice, become an expert pianist. It is a  
complete self-instructor, enabling anyone to play the  
piano or organ at sight, and to play without difficulty  
brilliant accompaniments to any song ever written.  
It is valuable to the advanced musician as well as to  
the beginner, embracing nearly every major and minor  
chord used in music, and is endorsed by teachers and  
musicians everywhere.

This Chart is the practical result of years of study  
by Charles E. Pratt, the noted American composer  
and musician, whose compositions have world-wide  
popularity, and a larger sale than those of any other  
American or European composer.

Believing that the educational value of this Chart  
cannot be over-estimated, the 'N.Z. Tablet' has ar-  
ranged with the publishers to supply Pratt's Chart of  
Chords (published at 6s) to its readers at the reduced  
price of 2s 6d each, with 2d added for postage, and in  
addition to the Chart of Chords, the publishers have  
kindly agreed to send, without extra charge, a copy of  
the Coronation Musical Folio, containing 48 pages  
of sheet music, vocal and instrumental, by popular  
composers. Payment to be made by P.O.O. or Postal  
Note; but if stamps are sent 2d extra must be added  
for exchange, in addition to the postage.

Every home that has a piano or organ, especially  
where there are children, should have Pratt's Chart of  
Chords.

This offer is made for a short time only, and 'N.Z.  
Tablet' readers should avail themselves of it without  
delay; and, in writing, always mention the 'N.Z.  
Tablet.'
