

A HIGH AUTHORITY ON WAI-RONGOA MINERAL WATER.

Bottled only at Springs, Wai-Rongoa.
The *New Zealand Medical Jour* al says

In regard to the Water itself, as a table beverage it can be confidently recommended Beautifully cool, clear and effervescent, the taste clean, with just sufficient chalybeate astringency to remind one that there are healing virtues as well as simple refreshment in the liquid, this Mineral Water ought soon to become popular amongst all who can afford the very slight cost entailed."

We supply the Dunedin and Wellington Hospitals, the Union Company's entire fleet, and Bellamy's with our Pure Mineral Water. Specially-made Soda Water for Invalids. For Permit to visit Springs apply Dunedin Office.

TO THE Woolgrowers of Otago & Southland.

GENTLEMEN—We have much pleasure in again tendering our services as Brokers for the sale of your clip in this market, or for shipment of same to our London Agents, making liberal cash advances thereon if required.

OUR SHOW ROOM is large and commodious, and is acknowledged by all competent judges to be the best and most convenient Show Room in Otago. It is specially lighted for the most effective display of the Wools; buyers are thus in a position to value to the best advantage, and to operate with such confidence as must ensure a satisfactory sale, to which end no pains will be spared on our part.

The Dunedin Wool Sales are now fully recognised as the best selling centre. They are attended regularly by a large number of local and Provincial buyers, also by buyers from England, the Continent, and America.

In addition to the competition thus assured, the yearly increasing requirements of the Woollen Factories (which have to be supplied here) have an important influence in relating and upholding values at our Dunedin Sales. We can therefore strongly recommend growers to submit their Wools at our local sales, being fully assured that if a comparison were made, better results have always been obtained by selling here than by shipping to London.

VALUATIONS.—We make careful examinations of every lot (large or small) prior to sale, and as every department of the business is conducted under our personal supervision, consignors may rest assured that no lot will be sold below its full market value, and that their interests generally will be thoroughly protected.

We act as selling brokers only, and make it our business to secure the highest price for our clients.

We send the inweights to consignors directly their wool is received.

The First Sale will be held on Thursday, 3rd December, 1903.

The Second " " Tuesday, 12th January, 1904.

The Third " " Friday, 5th February, 1904.

ACCOUNT SALES—Account Sales will be rendered, and proceeds paid over promptly within six days of Sale, as heretofore.

CHARGES.—All Charges throughout will be made on the very lowest scale.

INSURANCE, &c.—All Wool and other produce consigned to us is fully covered by insurance from the time it enters our stores, and Wool can be covered from sheep's back if desired. Consignment Notes, Wool Packs, and all Station Requisites sent on application.

Returning our best thanks for the liberal support we have hitherto received, we assure you that no effort will be wanting to merit a continuance of your confidence.
