

as to be expected, a good sale resulted. The demand, both privately and at auction, for young, useful draughts and harness horses is very keen, and anything offering of these descriptions finds a ready sale at prices fully in advance of late rates. The summer demand for good hacks and harness horses is just setting in, and parties having such to sell will find this a good market. There are also inquiries for upstanding carriage horses, pairs, and good single harness sorts, that are fit for immediate hard work. We quote: Superior young draught geldings at from £50 to £55; extra good do (prize horses), £56 to £65; superior young draught mares, £60 to £75; medium draught mares and geldings, £30 to £45; aged, £17 to £30; upstanding carriage horses, £25 to £35; well-matched carriage pairs, £80 to £100; strong spring-van horses, £30 to £35; milk-cart and butchers' order-cart horses, £20 to £28; light hacks, £10 to £18; extra good hacks, £20 to £30; weedy and aged hacks and harness horses, £5 to £8.

ADDINGTON STOCK MARKET.

At the Addington stock market there was a fair entry of stock and a good attendance. Beef sold somewhat irregularly, and was not quite so firm as a fortnight ago. Fat lambs were lower in price, and the few store sheep yarded sold at late rates. Fat sheep sold well in the earlier part of the sale, but afterwards they became easier. There was a good sale for all classes of pigs, and a dull sale for store and dairy cattle.

Fat Lambs—The entry of fat lambs numbered about 250, mostly of fair quality. Prices were lower than a fortnight ago, especially towards the close of the sale. A few were bought for shipping Home as Christmas presents. Best lambs made 18s to 20s 6d; medium, 15s to 17s 6d; lighter, 12s to 14s 6d.
