## Good Clothes

Good Clothes imply good material, good workmanship and good style.

Some garments possess the first qualities, but they are woefully lacking in the latter.

The "Standard" Ready-to-wear Clothes are made and designed in the Standard Factories.

They are really good Clothes, and every one who sells or buys them is proud of them.

Look at the ticket on the next Clothes you buy and see that it bears the "Standard" Brand.

You'll then know that you are getting the best Clothing produced from the best wool by the best manufacturers in the best little Country in the World.

The first STARCH manufactured in New Zealand, and the BEST.  
Established 1861.
