House and Farm use.

"Champion" and Webster Agree

OUR friend WEBSTER, in his revised edition, gives the following definitions, which agree with ours, hence our defiant attitude on behalf of the WORKERS during the last SIX YEARS:

TRUST—"An organisation formed mainly for the purpose of regulating the supply and price of commodities, etc., as a sugar, steel, or flour trust."

COMBINE—"To form a union, to agree, to coalesce, to confederate."

ASSOCIATION—"Union of persons in a company or society for SOME PARTICULAR PURPOSE; as the American Association for the advancement of science; A BENEVOLENT ASSOCIATION."

N.B.—WE ARE IN NO WAY CONNECTED with any of the above concerns; free in every respect, and we intend to remain so, with the WORKERS' assistance.

WORKERS, we are benevolent to a degree. This you know, and we must bashfully admit it, also exponents of the science known as the NOBLE ART when danger is hovering round you, fully verified in our recent tussle with those "RIGHT AT THE TOP," and the long combat with the FLOUR TRUST, which naively poses as an association.

But with your valuable assistance, we are still "Champion."

The only matters that baffle your CHAMPION are advancing wheat markets, caused by droughts and shortages throughout the world, and we crave your indulgence until the laws of Nature have adjusted them.

So kindly rally round your "CHAMPION" "STANDARD" once more, and the victory is yours.
