"Otahuhu, Auckland, 15th April, 1903.—
TESTIMONIAL TO THE WONDERFUL
CURE OF 'NOAH'S DOVE 'OINTMENT.—I had suffered from Eczema for 14
years. I was twice in the Auckland Hospital. It is now over two years since I left
that institution, as I found they were doing
me no good. I tried all kinds of ointments,
lotions, and bloed mixtures, all to no use.
The pain was most cruel, and I often wished
to God that I was dead. The day 'Noah's
Dove Ointment' was brought to the door, I
was on crutches; I could not put my legs Dove Ointment' was brought to the door, I was on crutches; I could not put my legs to the ground. I laughed at them when they said it would ourse me. I told the gestleman I had tried too many ointments, and I would try no more, as I had given up all hopes of ever getting well; but my husband would have me try one tin—it was on a Tuesday—and at the end of a week I was able to go about without a stick; and although it took several tins to complete the oure, it is now over 12 months since, and no oure, it is now over 12 months since, and no sign of it coming back.—I am, thankfully yours, (Signed) J. MURPHY.—To R. White, Eq., Auckland."
