#### **How About Your Heart?**

If you knew that you would die the moment your watch stopped, wouldn't you be very careful that it should always be kept in perfect condition? Of course you would. Well this is exactly the case with your heart. Did you ever think of it in this sense? Perhaps not, but your order has and that's just why he feels your reales has, and that's just why he feels your pulse the first thing. Your pulse is your heart's indicator—the vital organ in your body. He wants to know if this all-important, this vital organ of the body, is beating too fast or too slow, or if there is any irregular ty in its action. Have you shortness of breath the light evention pulitation of sustaining the state of the state after slight exertion, palpitation, fluttering, hot-flushes, pain or tenderness in left breast, side, shoulder, or arm, pain under left shoulder-blade, oppressed feeling in chest, choking sensation, weak or hungry spells, smothering or fainting spells, or does lying smothering or fainting spells, or does lying on your left side give you pain or discomfort? If you have any of these symptoms, your heart action is weak, and you don't require anyone to tell you about it—you know it for yourself. Do not neglect the matter longer—it is too serious for delay. Start a course of Dr. Day's Heart-Help today. This famous medicine has made many a heart strong—has restored health and apprinted to many a poor sufferer. Give it happiness to many a poor sufferer.
