Secretary,

312 Lonsdale Street, Melbourne.

FITS AND EPILEPSY

ARE CURABLE BY

TRENCH'S REMEDY

HEAD OFFICE: DUBLIN.

A FEW TYPICAL CASES OUT OF MANY CURES.

48 HOURS TO LIVE.

A girl had fits in such rapid succession that she was unable
to take food or drink, and the doctor who was attending her
said she could not live more than 48 hours. Trench's Remedy
at once stopped the fits, and there has not been a further attack
since—over 2½ years—and none of the Remedy has been taken
for over a year.

DECLARED TO BE INCURABLE.

A girl who had been at various times under treatment by
several of the leading doctors of Melbourne was declared to
be incurable by them all, and the parents were advised to
place her in an asylum. She took from ten to twenty fits a day,
yet upon using Trench's Remedy the attacks ceased at once, and
she has not had a fit since—nearly three years. She ceased
taking the Remedy nearly two years ago.

£1000 SPENT WITHOUT RESULT.

The son of a leading merchant of Melbourne broke down
just as he was commencing his University course. All the best
physicians of Melbourne were consulted, but none of them could
stop the fits. The father then took the young man to England
and elsewhere to obtain the best advice in the world, but, after
spending over £1000, he brought him back with the fits occurring
more frequently than ever. Trench's Remedy at once stopped the
attacks, and the young man is now perfectly cured.

The above statements can be verified by personal reference
to the parents of the patients, who, from gratitude, have offered
to reply to any enquirers we refer to them.
