A HIGH AUTHORITY ON WAI-RONGOA MINERAL WATER.

Bottled only at Springs, Wai-Rongoa.

The *New Zealand Medical Journal* says:

'In regard to the Water itself, as a table beverage it can be confidently recommended. Beautifully cool, clear, and effervescent, the taste clean, with just sufficient chalybeate astringency to remind one that there are healing virtues as well as simple refreshment in the liquid, this Mineral Water ought soon to become popular amongst all who can afford the very slight cost entailed.'

We supply the Dunedin and Wellington Hospitals, the Union Company's entire fleet, and Bellamy's with our Pure Mineral Water. Specially-made Soda Water for Invalids: For Permit to visit Springs, apply Dunedin Office.
