

"BEGG'S" PIANOS

SOME people have the idea that if the external appearance of a Piano is attractive and the tone fairly pleasant, the instrument is all right.

This is a delusion; many have found it so—too late.

The Pianoforte is a piece of extremely complicated mechanism. Naturally, it follows that if you want to be sure of securing a thoroughly satisfactory instrument you must rely upon those who understand the principles of construction which go to produce Perfection in Tone, Delicacy of Touch, and Reliability in Make. For more than 40 years "BEGGS" have been the Leading House for Musical Instruments.

Their wide experience enables them to guarantee the Instruments they sell.

Whether you purchase a Piano at £35 or 200 guineas, you can have confidence in getting from "BEGGS" the utmost value and perfect satisfaction.

You are invited to call and look through the Show Rooms.

"BEGGS" Hire-Purchase System of easy payments makes it possible for almost every family to own a GOOD Piano.

THE MOST POPULAR COFFEE IN THE DOMINION.

From the North Cape to the Bluff 'Club' Coffee has proved its superiority over all others to such an extent that probably more of it is sold than all other brands put together. That's why the get up of it has been so closely copied by other manufacturers.

"CLUB" COFFEE

Is such a surprisingly good Coffee that those who once try it will never afterwards have any other brand. A perfect system of manufacture, combined with our superior facilities for importing the best quality beans, is largely responsible for the exquisite flavour of "Club" Coffee. But, try it! You'll be astonished that you could have put up with other kinds. It's so different!

HELP FOR YOUR HEART.

WEAK hearts are just as common as weak stomachs, weak lungs, weak eyes, etc., yet very few persons affected with weak hearts are conscious of the fact. Even doctors very often attribute such serious signs of heart weakness as fluttering or palpitation of the heart, pain or tenderness in the left breast or side, shortness of breath after slight exertion, choking sensation in the throat, fainting spells, irregular pulse, swelling of the feet or ankles, etc., to an entirely different cause, and treat the sufferer for other complaints which are not obtaining. But though these symptoms indicate Heart Weakness, they do not mean you have "Heart Disease." It is simply a sign that the heart is overtaxed, and unless it is speedily assisted in some practical manner, serious complications will result. What your tired, exhausted heart wants to restore it to its normal strength and vigor, is some remedy that will help it to do its work, for while the heart is in this weakened condition, it is unable to supply the rich red blood, so necessary for perfect health. Dr. Day's Heart-Help has made thousands of weak hearts strong again, and it will permanently restore your heart to its normal healthy condition, enabling it to perform its vital duties regularly and completely. This reliable medicine, by affording the heart the assistance it so urgently requires, helps the other organs of the body which have become affected to regain their strength and vigor, too. If you have suffered from any of the symptoms mentioned above, and have till now attributed them to some less serious internal derangement, secure a bottle of Dr. Day's Heart-Help today. Price 4s 6d per bottle from all Chemists.
