OF SMITHFIELD MARKET,
LONDON,

Invite Consignments of Frozen Mutton and Lamb for realisation in all parts of the United Kingdom.

Having been established in the Central Meat Market for over Half a Century, and having been connected with the Frozen Meat Trade since its very commencement, they are in the best position to deal with consignments.

They have no Retail Shops of their own, no interest in any, and do not buy on their own account, so all their energies are directed to obtaining the highest possible price for their Clients' Shipments.

Consignments can be sent to them through any Freezing Company, or through any of the Banks, and by doing this shippers will get all that is to be obtained for the Wool, Meat, Pelts, and Fat.

A Cold on the Chest

Is always dangerous, because the lungs are affected. If not taken in hand it may develop into bronchitis, pneumonia or even consumption. You need a medicine to sooth the irritation, break up the cold and leave the lungs strong and healthy, and there is no remedy so good as

Bonnington's Irish Moss

For over 46 years it has been the favourite family cough medicine.

Mr. M. A. GAVIN, J.P., Queenstown, writes:—

"I have used your Irish Moss for a number of years, and have found it a most excellent medicine for a cough or sore throat. It is very good for children, being very palatable, and no trouble to get the child to take it."

REFUSE SUBSTITUTES.

Insist on getting the standard cough remedy—Bonnington's.
