

"BEGG'S" PIANOS

SOME people have the idea that if the external appearance of a Piano is attractive and the tone fairly pleasant, the instrument is all right.

This is a delusion; many have found it so—too late.

The Pianoforte is a piece of extremely complicated mechanism. Naturally, it follows that if you want to be sure of securing a thoroughly satisfactory instrument you must rely upon those who understand the principles of construction which go to produce Perfection in Tone, Delicacy of Touch, and Reliability in Make. For more than 40 years "BEGGS" have been the Leading House for Musical Instruments.

Their wide experience enables them to guarantee the Instruments they sell.

Whether you purchase a Piano at £35 or 200 guineas, you can have confidence in getting from "BEGGS" the utmost value and perfect satisfaction.

You are invited to call and look through the Show Rooms.

"BEGGS" Hire-Purchase System of easy payments makes it possible for almost every family to own a GOOD Piano.

THE MOST POPULAR COFFEE IN THE DOMINION.

From the North Cape to the Bluff 'Club' Coffee has proved its superiority over all others to such an extent that probably more of it is sold than all other brands put together. That is why the get-up of it has been so closely copied by other manufacturers.

"CLUB" COFFEE

Is such a surprisingly good Coffee that those who once try it will never afterwards have any other brand. A perfect system of manufacture, combined with our superior facilities for importing the best quality beans, is largely responsible for the exquisite flavour of "Club" Coffee. But try it! You'll be astonished that you could have put up with other kinds. It's so different!

CHRISTCHURCH DENTAL CHAMBERS.

AN UNQUALIFIED SUCCESS IN THE SCIENTIFIC ART OF UP-TO-DATE DENTISTRY.

A Legally Qualified and Registered Practitioner of some years' standing feels it due to his wide professional knowledge in the study and deep research of the methods of up-to-date Dentistry to introduce to the public an entirely new and successful process whereby the most difficult decayed and troublesome teeth can be extracted without the slightest pain whatever. This new method causes no unconsciousness or sickly after effects. The patient is simply aware of what is taking place but absolutely feels no pain.

There is no experimenting and no failures, and why should one suffer the continual martyrdom of Pain, Nervousness, Indigestion, and Functional Disturbances arising from bad teeth when such an opportunity presents itself of removing the cause of all these troubles without pain?

All patients may depend upon receiving the greatest care and attention, as a Skilful and Expert Specialist is constantly in attendance, also a Lady Assistant for ladies and children. Gas, Chloroform, or Ether also administered if required.

The surgeries are fitted up with the very latest Electrical Appliances for all sorts of Fillings, Porcelain Inlays, Crown and Bridge Work.

Note the Address: First Flat Wardell's Buildings, corner High and Cashel Streets, where there are seven rooms, consisting of Surgeries, Waiting-room, Mechanic and Plate Department. Plates made only of very best materials and fit guaranteed, or no charge made.

Consultation Hours: 9 a.m. to 1 p.m., 2 p.m. to 5 p.m., and 7 p.m. to 8 p.m. daily. Saturdays close at 1 p.m., open again at 7 p.m.

Terms very moderate, and Consultation Free. Special arrangements made for families. Country appointments made by letter receive strict attention. Telephone 958.
