Every visitor to the Dominion should take a "Mosgiel" Rug away with him. It will prove a source of comfort and pleasure for years to come. Wilson Le Conteur in his book "The Great Outposts of the Empire," says:—"Dunedin has, like the other cities, its representative industries, the first perhaps in importance being that of the Mosgiel Woollen Mills, whose Rugs are esteemed as among the best in that class of article in the world. Speaking for myself, I have had one in use for over fifteen years, and it affords me as much protection and warmth as when I first purchased it." Genuine "Mosgiel" Rugs may be bought from all first-class Drapers and Outfitters.

## CONVENT OF THE SACRED HEART, ISLAND BAY

On Monday evening, December 13, at the Convent of the Sacred Heart, Island Bay, the Sisters of the Order entertained the parents of students, when a delightful musical evening was spent (says the Post). The *piece de resistance* was made up of scenes from the sacred musical drama, Sir Arthur Sullivan's "The Martyr of Antioch," and these were sung excellently. During the scenes of the drama pianoforte numbers of Behr, Chaminade, and Schubert were played, and an amusing sketch, written by one of the Sisters, and acted in French by students, entitled "Scenes de la Vie Americaine," proved very amusing, and was given with due verve.

## MARIST BROTHERS' SCHOOL, WELLINGTON

(From our own correspondent.)

The annual concert in connection with the prize-giving to successful pupils at the Marist Brothers' School was held in the Concert Chamber of the Town Hall on Wednesday evening, December 15. The hall was packed. The entertainment was bright and well-managed, going with a swing from start to finish. The programme was varied, and included a tableau, five excellent choruses, physical drill displays, and a cleverly acted farce, "The Haunted House." In the latter item the parts were well filled by Masters Albert Marshall, P. Stratford, J. Boyce, Leger Reeves, and L. Butcher. A vocal solo, "Please give me a penny," was contributed by Master Francis Archer, while at the same time a collection was taken up, the results of which (£3 8s 11d) will go to form a Christmas box for the children in the Home of Compassion. The boys acquitted themselves very creditably in the physical drill displays. Recitations were given by Leger Reeves, Lance Butcher, James McCarthy, and Fergus Reeves; vocal items by John Cuming (Medallist, 1909), George Wynne, Francis Archer, and Vivian Ross. The chorus, "A farmyard medley," was sung by small boys, with Fergus Reeves as conductor; and V. Roberts, J. Dutton, and J. Cuming took the solo part in "De old banjo." Mr. F. J. Oakes was conductor, and Mrs. J. Woodward played the accompaniments.

His Grace Archbishop Redwood, who was accompanied by the Very Rev. Dean Regnaud, S.M. (Provincial), Very Rev. Father O'Shea, S.M., V.G., Ven. Archdeacon Devoy, S.M., and several local clergy, presented the prizes won during the year.

In the annual report reference was made to the success of the school in the scholarship examinations. In January Howard Buckley gained two scholarships, one for St. Patrick's College and the other for Sacred Heart College, Auckland, while in the examination recently held John Molloy carried off next year's scholarship for Sacred Heart College. In cricket the school team of 1908-9 were runners-up for the cup in the Boys' League, having lost only one match during the season. For the second year in succession the junior third division cup in Association football was won, while the junior second division team went through the season without a single defeat, thus carrying off the championship cup and also the challenge cup.

The following is the prize-list:—
