**"LIKES ZEALANDIA THE BEST"**

Read what a Bay of Islands lady says: "I have used it in my various homes seven times, and not one of them comes up to the Zealandia. It gets hot in a few minutes, and I do all my own cooking and bake bread also. Words cannot express the perfect satisfaction it gives. Then the advantage of opening it up, giving it the appearance of a registered grate, is delightful." Mrs. George Hunter. Many other testimonials are given in our Catalogue No. 32. Write for it. It's free. The Zealandia is sold by all ironmongers.
