The papers are full
of deaths from

Heart Failure

Of course

the heart fails to act
when a man dies,
but "Heart Failure," so called, nine
times out of ten is caused by Uric
Acid in the blood which the Kidneys
fail to remove, and which corrodes
the heart until it becomes unable to
perform its functions.

Health Officers in many cities very
properly refuse to accept "Heart Fail-
ure," as a cause of death. It is fre-
quently a sign of ignorance in the
physician, or may be given to cover
up the real cause.

Warrant's
Safe Cure

A Medicine with 20 Years of
Success behind it . . .

will remove the poisonous Uric Acid
by putting the Kidneys in a healthy
condition so that they will naturally
eliminate it.

.. BENJAMIN GUM ..

For Coughs and Colds.

This justly popular remedy now enjoys the largest sale of any Cough Mixture in New Zealand.

The reason is this—It cures quickly even a chronic cough. It allays the annoying, tickling and huskiness of recent colds. It is pleasant to take. Children really like it. It dissolves hard, tough, viscid phlegm. Causes free and easy expectoration. Reduces inflammatory symptoms. And last but not least, it is a cheap remedy, and one bottle usually breaks up the worst cold.
