ST. PATRICK'S COLLEGE is intended to afford the youth of New Zealand a sound liberal education, whilst furnishing all those safeguards of religion, without which education ceases to be an advantage. The course of education, classical, scientific, and mercantile, is traced in the programme of studies. A special course is provided in which students are taught everything needful for mercantile pursuits. Students are prepared for Civil Service, Law University and Musical Examinations. A large and well-appointed Gymnasium has been added to the College, giving the students facility for developing muscular power. A Select Library is at the disposal of students during the hours set apart for reading. Vacation is given twice a year, in June and December. One term's notice is required before the withdrawal of a student. The religious education of students will be attended to as a matter of the first and greatest importance. Non-Catholic Students are required to attend the common exercises of religion, and to conform to the ordinary rules of the College.
