

What Can Tussicura Do?—If you are suffering from a bad cold, accompanied by a distressing cough, a single dose will relieve the phlegm which gathers in the bronchial tubes, thus rendering expectoration more easy. TUSSICURA will likewise strengthen the organs effected and fortify them against the inroads of such dangerous diseases as Pneumonia, Pleurisy, and Consumption. There is absolutely no remedy to equal it, and its wonderful qualities are admitted by all who have given it a trial. Price, 2/6 per bottle. Obtainable from all Chemists and Storekeepers.

Make No Mistake!—You may fancy a cough is a trivial affair, but unless you take precautions you will find it rapidly develop into something very serious. Take warning, therefore, and at the first symptoms of trouble try TUSSICURA, which everyone who has once taken it acknowledges to be the only certain remedy for Complaints of the Throat and Lungs. There will be no difficulty in obtaining it, as all Chemists and Storekeepers keep TUSSICURA, and you should insist on having that and nothing else.

Physicians Agree that every disease with which suffering humanity is afflicted is certainly due to the neglect of some trivial trouble, which could have been easily cured if a remedy had been applied in time. Most complaints make their early appearance in the shape of Affections of the Throat and Lungs, and what is required in the initial stage is a preparation that will arrest the development of serious trouble. TUSSICURA has proved its efficacy in this respect in thousands of cases throughout the length and breadth of the Colony, and for this reason its reputation is widespread and daily increasing. Price, 2s 6d per bottle. Obtainable from all Chemists and Storekeepers.
