# IRISH MOSS.

"The Best Country in the World" is what has often been said of  
New Zealand, and by men who have travelled much. The people of  
this country, however, are well aware that it is subject to very sudden  
climatic changes, and as climatic changes are the cause of many cases  
of acute bronchitis and affections of the lungs, it is a happy coincidence  
that the best country in the world should have produced the BEST  
COUGH REMEDY. We refer to
