The Best Furniture is the kind Pegden makes

This is borne out by facts as scores of homes round about here can testify.

Furniture that is slammed together anyhow is no use to anyone—it costs as much as Pegden's and doesn't look as well or last a quarter of the time.

When you want furniture—whether it is a whole outfit or a single piece—come to Pegden's where every article is well and honestly made in all styles from the best of timber.
