

New  
v.  
Old-  
Style  
Lenses

"KONTORIKS" the modern curved shape in lenses, widen the field of vision, and shut out those annoying reflections from the rear, which mar the sight with the old-fashioned "flat" kind. These are just two of their many advantages.

## HAVE YOU WORN "ISIS" BOOTS ?

If not, why not? In these boots you get style, you get comfort, and you get durability, and these are the three most essential points in footwear.

Of course there is one other consideration, and that is the price. Well, if you will give me the pleasure of selling you a pair, I will prove to you that the ISIS boots are the cheapest and best on the Market to-day. When I tell you they are CROCKETT AND JONES'S best brand, that should be sufficient guarantee of their quality.

Try a pair to-day. I have just opened up my Summer Shipment, and there is no advance in prices, and there will not be either, until I have to pay more for them; it will be time then to advance the prices.
