"Do-It-Better" Dentistry

TIME was when one had good reason to fear the Dentist's chair.

But not now—if the Dentist is W. P. Sommerville.

The Patient's comfort is my chief consideration. Whether it be Teeth Filled, Teeth Crowned, or Teeth Extracted, my work is perfectly safe for the child of three or the man of eighty.

Wide experience, highest skill and up-to-date appliances enable me to treat successfully the most difficult cases.

Then, what about your teeth? To neglect them is bad policy. Decaying Teeth are unsightly and offensive. They ruin digestion, poison the system, lower vitality.

Consult me TO-DAY—FREE. I will tell you what should be done and how I can do it better.

SUPERIOR METHODS BUT MODERATE FEES.
