TYRE SERVICE.**

Manager Dunlop Rubber Co., Christchurch. ADAMS LTD., Christchurch. June 18th, 1915.

Dear Sir,—I have much pleasure in sending you a Dunlop Cover, 26 x 2 1/2 x 2 1/2, to fit 2 1/2 rim, which was fitted to the back wheel of my 4 h.p. Triumph motor-cycle. This Cover was fitted to my machine just before the recent Reliability Trials to Kaikoura and back, on April 3rd, 4th and 5th, one of the roughest trips on tyres in New Zealand. The cover went all through this trial without the slightest trouble, and has since then been over the route again, and on to Blenheim. The total distance covered, as shown by speedometer is 3,347 miles, and I have only experienced two punctures during this distance, and in my opinion the cover is yet good for another 2,000 miles. My sidecar outfit weighs just on 400 lbs. without passengers. During the whole of my motoring experience, which now extends over some 12 or 13 years, I have tried all makes of tyres, and I think the Dunlop Special Studded Cover the finest I have ever used. I may state that my experience of this cover is being shared by all riders to whom I have sold them.

Yours faithfully,
G. B. BROWN,
Mgr. Motor-Cycle Dept.
